About the FirstSwing Foundation

The FirstSwing Foundation is a Washington state 501(c)(3) non-profit corporation established in 2002 to teach youth "life's lessons" within the fun and exciting environment of baseball and softball. The foundation's basic belief is that sports is a process and not an end in itself, and that young people will learn many life skills by playing and competing. FirstSwing is committed to teaching ALL kids, especially the physically and financially challenged, to learn and love the game, and to provide them with positive role models and quality instruction. FirstSwing provides youth summer camps, tournaments, workouts, skills clinics, parent-coach teaching seminars and clinics, play days, and unique activities to teach the game as well as bond parents and kids. One of the major goals of the foundation is to provide an interactive, fun environment that will aid in the socialization process and empower youngsters to become good, solid, productive citizens, future spouses, parents, and contributors to society.
